Oulu	7.4	8.7 %	Medium
Tampere Central	7.4	6.8 %	Normal
Turku Central	7.4	9.4 %	Normal
Vaasa	6.9	8.9 %	Normal

Priority Escalation Areas

Management Priorities

- Focus on high-risk applications**
Lowest approval and highest rejection rate occur in the high-risk segment
- Target the main escalation sources**
Focus process improvement on EDD, KYC documentation and risk assessment
- Prioritize high-attention branches**
Review branches classified as High and target operational improvement
